<sup>+</sup>Law pertains to both incorporated and unincorporated areas of county.

The effective date above indicates when the municipality's provisions making all Workplaces, Restaurants, and Bars 100% smokefree become effective. Some municipalities may have enacted legislation to make the workplace, restaurant, and bar provisions effective incrementally over time. Thus, the date shown is either the date the municipality's legislation to cover all three components becomes effective or the date the last component that had not previously been 100% smokefree becomes effective.

Only ordinances reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular ordinance may be the result of differences of opinion in interpretation, or because staff have not yet analyzed the ordinance.
